Basic Services of Our Funeral Director \$725.00

Our services include: conducting the arrangements conference; planning the funeral; consulting with family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining the necessary authorizations and permits; coordinating with the cemetery or other third parties. This charge includes accounting, billing, overhead, regulatory compliance, county, state and federal taxes. This fee is already included in our direct cremation, immediate burial and forwarding / receiving remains.

Embalming \$750.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Colorado law does require that the deceased be embalmed or refrigerated if the final disposition is not achieved within 24 hours following death.
